At Columbus, the bill to send a Commissioner from Ohlo to the World's Fair at London, next fall, was lost. We regret this, as Ohio, with her vast mechanical and agricultural resources, should have her interests attended to there by an authorized agent. It may not be too late, however, for the next Legislature to make the appointment.

The House Bill, authorizing Cleveland to sell her bonds below par, passed the Senate at Golumbus, on Saturday.

MILITARY MATTERS.

Submany's contrany.

Yesterday morning the lady friends of the proposed after the hour of 7½ P. M. during the present perilous and alarming state of the occupany. The presentation was made by Mr. A. Thieme, and Dr. Schenek returnation was made by Mr. A. Thieme, and Dr. Schenek returnation was made by Mr. A. Thieme, and Judging from the frequent applause, were eloquent and pointed. A fine collation was then spread upon the tables, of which all partook, after the hour of 7½ P. M. during the heavy of the country, thereby cuabling state of the country, thereby cuabling such employees to acquire a thorough knowledge of militingness to make the company and judging from the frequent applause, were eloquent and pointed. A fine collation was then spread upon the tables, of which all partook, after the hour of 7½ P. M. during the heavy output in the present perilous and alarming state of the country, the present perilous and alarming state of the conduct, and once the proposed of the country, the present perilous and alarming state of the conduct, and once the proposed of the country, the present perilous and alarming state of the country, the present perilous and alarming state of the country, the present perilous and alarming state of the country, the present perilous and alarming state of the country, the present perilous and alarming state of the country, the present perilous and alarming state of the country FOR CAMP DENNISON.

from each company of the Seventh Regiment will start for Camp Deanison this morning at 8 o'clock. They will be under command of Lieutenant Orrin J. Grane of Company A, and will be employed in building barracks for the regiment.

THE SEVENTE REGIMENT. THE SEVENTS REGIMEST.

however, notice was given that the cars motives closed. L. F. Mranes, would not return in 'ime to leave at that hour. There were many impatient words and gestures at the news, and one young gentleman said in our hearing that he had bade a tearful farewell to all his friends something less than a dozen times, and he would be hanged if it wasn't overdoing the thing. It is settled now, we believe, that the regiment will leave at 8 o'clock Sunday ARTILLERY PRACTICS.

The artillery companies at Camp Taylor are drilling daily with the gun of the Radopted by the company, and a very good | venna company, and are making rapid progress. We saw one of the squads yesterday paragraph. If they do the thing as well when the "secessionists" are about, we English pattern, and engraved with curious think there will be cause for considerable mourning south of Mason & Dixon's line. Meeting of the Clerks—Closing the Stores.

At a meeting of the clerks of this city held last evening, the following report was presented:

Store mount in Had I the power, were I possessed of the thunderbolts of Jove, I would wipe out, not only traitors but the seed of traitors. We are no longer Republicans nor Democrats, but all parties are blended into one. We are brothers and patriots in a common cause. Have we interview not give the most turn on them what our constitution and we not give the constitution of the const themen paid a visit to Camp Taylor at 614 the fourteenth. Both will be service early next week. It seems

At a meeting of the clerks of this city held last evening, the following report was presented:

To I. M. Gates, Esq., Chairman of the Mesting of Clerks and Merchants' Employees of Cleveland:

The Committee appointed at the meeting of this association held on Monday evening.

April 29th, respectfully beg leave to report, that pursuant to the instructions contained in the resolution appointing said committee, they immediately waited upon Mesars. Freeman & Kellogg, the only merchants in Cleveland who had failed and refused to cooperate with the other merchants in the truly commendable act of relieving their clerks and employees from service after the hour of half-past I o'clock P. M. during the present fentful condition of our National Government, so that said clerks and employees after the hour of half-past I o'clock P. M., might devote their time to the attainment of a thorough knowledge of military tactics, with a view to any emergency which shall render their services necessary in the defence of our common country, and advised said Freeman & Kellogg of the action taken by the merchants of Cleveland except themselves, as expressed in a card signed by said merchants, and published in the city papers of April 25th, and most respect. by said merchants, and published in the Major McCielland was loudly called for and fully requested the saic Freemant Kellogg to concur in such action, and relieve their clerks and employees, but that said Freemant Kellogr unceuniversally and nersum.

In view, therefore, of the generous and patriotic course adopted by every respectable merebant of the city of Cleveland, with the single exception of the firm of Freeman & Kailogg, your committee respectfully offer as part of their report the following resolu-

have advanced to a career of prosper.; y, such as no other country in the world presents; and, therefore, if one class of our citizens owe allegiance to our flag, and patriotic devalue to the defense of our Union, whether our thanks for Chicago papers, in advanfrom loreign invasion or domestic insurrec-tion and rebellion, that class is emineatly the men of mercantile and commercial pur-

And, whereas the firm of Freeman & Kel-By order of Gen. McClelland, who visited course adopted by all the other merchants of Cleveland, and whereas we have the

ANDERSON GUARDS.—The company of Home Guards eligible to those not exceeding 35 years, has organized temporarily. At the meeting on Thursday night officers were chosen for a term of thirty days, as follows:

The time for the departure of the Seventh was set for this morning at 5 o'clock, and the companies were busy, during yesterday, in packing their baggage and taking leave of their friends. During the afternoon, cantile brethren of the city are from patriotic merity and the companies were busy and the companies were busy. At the companies were busy, during yesterday, in packing their baggage and taking leave of their friends. During the afternoon, cantile brethren of the city are from patriotic methods. The report was unanimously accepted and

adopted, and ordered to be published in the Cleveland daily papers. Cleveland, May 3, 1861. J. M. Gares, President.

V. O. TAYLOR, Secretary.

Serenade to the Governors. the Angier House last evening about 101 o'clock and the strains of " Hail to the Chief" reverberating through the quies streets .-Before long a considerable crowd of citizens gathered together, all anxious to hear a word time and exercises there. go through with the motions of loading and from the distinguished guests then in session firing in various directions, dismount the within the hotel. The wish was soon piece and caisson, and re-mount and fire, in | gratified by their appearance on the Bank Stless time than we have been writing this bulcony.
